Dear Sir

LETTER OF APPRECIATION

On behalf of Management and staff of Holy Family Hospital, Techiman I wish to express our profound gratitude to you for your show of generosity in the donation of various medical equipment (Monitors, Laparoscopy machine, LEEP machine, etc) and medical supplies to our hospital. Most especially, for your expertise and precious time provided to bring relief to the numerous patients who received medical and surgical services during your visit. Undoubtedly, your donation of equipment and provision of surgical services to our patients have left an indelible impact in our communities for many years to come. Your actions indeed demonstrated commitment to making an impact in deprived communities in service to humanity. The equipment will tremendously improve our capacity to provide improved quality health services to our people. We commit to take very good care of the equipment to serve the intentions of the donors.

Please extend our eternal gratitude to all who contributed in diverse ways to raise funds and other resources for the mission. From our stand point of view, it was extremely successful and we are grateful to them for making the resources at your disposal to enable you reach out to the people of Techiman Municipality and its environs through Holy Family Hospital.

We look forward to a sustainable relationship and partnership in service to humanity. We certainly look forward to another mission by your team or any other team within ISMS. We also assure you of our readiness to receive Residents in Training at your University Hospitals where you deem us suitable to be of assistance. Please do not hesitate to count on us partners in any endeavour that we could be of use.

Once again, thank you and regards to the entire team.

Motto: In God is our Help and our Health

Sincerely yours

.....
